

## HTMS Announces Connie Schweyen Has Joined HTMS

By HTMS

Dated: Feb 02, 2010

*HTMS announces that Connie Schweyen has joined HTMS as a Senior Manager. Connie brings over 25 years of healthcare payer, insurance, and hospital industry experience to the HTMS team.*

HTMS announces that Connie Schweyen has joined HTMS as a Senior Manager. Connie brings a wealth of healthcare payer, insurance, and hospital industry experience to the HTMS team. Connie's background is diverse and encompasses sales and marketing, business development, account management, BPO operations, systems implementation, and strategy development. Her previous positions range from Director of Payer Strategy at EDS Healthcare Global Industry Group to Assistant Vice President at managed care vendor Health Systems Integration (HSII). She was most recently the Senior Vice President of Business Process Outsourcing at Harrington Health.

Mercedes McKenzie, VP and COO, made the announcement stating “Connie is someone that we have known for over 20 years as a vendor, business partner, colleague, and client. HTMS is fortunate to have made such a great addition to our team and we are looking forward to working with Connie.”

###

HTMS is a management consulting company focused on the healthcare market, particularly payer organizations. HTMS consultants have deep health industry knowledge, with an average of over 15 years in the industry, who assist clients in leading and adapting in an ever-changing environment. HTMS provides executive-level consulting services for health organizations with a special focus on technology and operations. Founded in 2000, the corporate office is located in Indianapolis, Indiana, with a regional office in Phoenix, Arizona.
